### ***Distinguished Professional Chapter(s) of Year Award***

The NCSHRM State Council supports SHRM goals and objectives for Professional Chapters and Professional Members by recognizing North Carolina SHRM-affiliated chapters that have achieved excellence in the SHRM Affiliate Program for Excellence (SHAPE). SHRM outlines a plan of action for success through the SHAPE program and recognizes the performance of Chapters by awarding tiered Excel Awards. To further support and recognize those Professional Chapters that meet the criteria outlined by the Society, the State Council recognizes the all Bronze, Silver, Gold and Platinum Award winners as distinguished Professional Chapters provided they also adhere to the a few additional expectations.

**Recipients determined based on submission of SHAPE in timely manner, attendance/participation at State Council meetings, and submission of articles or chapter chatter to NC Review Magazine.**

**Announcement of Award winning chapters occurs at the NCSHRM State Conference.**
